FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety - Missouri Highway Patrol**, the **Office of Prosecution Services**, the **Department of Corrections**, the **Office of the State Courts Administrator**, the **Department of Elementary and Secondary Education**, and the **Department of Higher Education** each assume the proposal would not fiscally impact their respective agencies.

For the purpose of this proposed legislation, officials from the **Office of State Public Defender (SPD)** cannot assume that existing staff will provide effective representation for any new cases arising where indigent persons are charged with the proposed new crimes regarding the unlawful use of a weapon.

While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide effective representation in all cases where the right to counsel attaches.

Oversight assumes the SPD can absorb the additional caseload that may result from this proposal.

Officials from the **Springfield Police Department**, the **Metropolitan Community College**, **Northwest Missouri State University**, **State Technical College of Missouri**, and the **University of Central Missouri** each assume the proposal would not fiscally impact their respective agencies.

In response to a similar proposal from this year (HB 593), officials from the **Truman State University**, the **Kirkville R-III School District**, the **West Plains School District**, the **Everton R-III School District**, and the **Forsyth R-III School District** each assumed the proposal would not fiscally impact their schools.

Officials from **Missouri State University** assume there will be a negative fiscal impact of an undetermined amount to their university.

Officials from Boone County Sheriff's Department, Cole County Sheriff's Department, the Independence Police Department, the Jefferson City Police Department, and various other colleges and universities did not respond to **Oversight's** request for fiscal impact.

Oversight assumes the proposal will not have a fiscal impact upon schools.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

This bill makes changes to the list of locations an individual can carry a concealed firearm within this state and the list of locations an individual with a concealed carry permit can carry a concealed firearm within the state.

No changes have been made to the penalties for carrying a concealed firearm in locations prohibited under these sections.

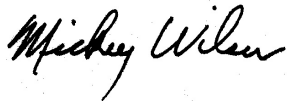

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
